INDEPENDENT AUDITOR'S REPORT

TO THE DIRECTORS OF SCHIZOPHRENIA SOCIETY OF ONTARIO

Qualified Opinion

I have audited the accompanying financial statements of Schizophrenia Society of Ontario, which comprise the statement of financial position as at March 31, 2019 and statement of operations and changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, except for the possible effects of the matter described in the *Basis for Qualified Opinion* section of my report the accompanying financial statements present fairly, in all material respects, the financial position of Schizophrenia Society of Ontario, as at March 31, 2019, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Qualified Opinion

In common with many charitable organizations, Schizophrenia Society of Ontario derives revenue from contributions and fundraising activities the completeness of which is not susceptible to satisfactory audit verification. Accordingly, my verification of revenue from contributions and fundraising activities was limited to the amounts recorded in the records of the organization and I was not able to determine whether any adjustments might be necessary to revenue from contributions and events and gaming activities, net expense for the year, assets and net assets.

I conducted my audit in accordance with Canadian generally accepted auditing standards. My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of my report. I am independent of the Organization in accordance with the ethical requirements that are relevant to my audit of the financial statements in Canada, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

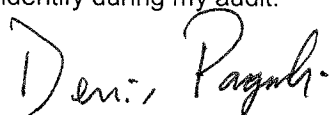

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

Schizophrenia Society of Ontario

Notes to Financial Statements

March 31, 2019

1. Purpose of the organization

Schizophrenia Society of Ontario (the "Society") is incorporated without share capital under the laws of the Province of Ontario and is a registered charity under the Income Tax Act. The Society was founded in 1979 under the following objects of incorporation;

- a) Generally to provide assistance to and to alleviate the hardships of the mentally ill, in particular those suffering from the disease of schizophrenia and their families;
- b) For the objects aforesaid, but not so as to limit their generality, to facilitate communication among the mentally ill and among the families of the mentally ill, to assist in educating the public in general and the mentally ill and their families in particular, in the nature of mental illness, and to assist the professions in the search for and application of cures for mental illness;
- c) For the objects aforesaid, to accept donations, gifts, legacies and bequests.

2. Summary of significant accounting policies

The financial statements were prepared in accordance with Canadian accounting standards for not-for-profit organizations in Part III of the CPA Canada Handbook and include the following significant accounting policies:

(a) Fund accounting

The Society follows the restricted fund method of accounting for contributions.

The Operating Fund accounts for the Society's program delivery and administrative activities. This fund reports unrestricted resources and restricted operating grants.

The Research Fund accounts for the Society's research activities. Currently these activities include; participation in psychosocial research initiatives, research and development of new products and services, research that informs our policy and systems change, participatory research which engages individuals and families.

The Designated Fund reports revenues that are externally restricted by the donor and resources internally restricted by the Board of Directors and consist of the following funds:

The Bill Jefferies Research Fund reports resources that are to be used to fund and support both psychosocial and biomedical research projects related to schizophrenia including grants received from external sources. It includes designated donations and revenue from the Peace of Minds walk.

The Thomas Gabriel McGowan Biomedical Research Fund was established in fiscal 2017. The Fund must be used for supporting biomedical research for schizophrenia. Previous donations were also made to the Society for \$50,000 in both fiscal 2016 and 2015 for general research.

The Development Fund reports internally restricted resources that are to be used for projects and activities of the organization as approved by the Board of Directors.

Schizophrenia Society of Ontario

Notes to Financial Statements

March 31, 2019

2. Summary of significant accounting policies (continued)

(b) Capital assets and amortization

Purchased capital assets are recorded at cost less accumulated amortization. Contributed capital assets are recorded at fair value at the date of contribution. Furniture and equipment are amortized over their estimated useful lives using the straight line method at 20% per annum while leasehold improvements are amortized over the term of the lease.

(c) Revenue Recognition

Contributions

Restricted contributions including grants, donations and membership dues related to general operations are recognized as revenue of the Operating Fund in the year in which the related expenses are incurred. All other restricted contributions are recognized as revenue of the appropriate Designated Fund.

Unrestricted contributions are recognized as revenue of the Operating Fund in the year received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Endowment contributions are reported as revenue in the appropriate Designated Fund when received.

Investment Income

Investment income is recognized as revenue of the Operating Fund when earned.

Events and gaming

Events and gaming revenue is recognized in the year that the event and gaming takes place.

(d) Financial instruments

The Society initially measures its financial assets and financial liabilities at fair value. The Society subsequently measures all its financial assets and financial liabilities at amortized cost except for marketable securities quoted in an active market and bonds, which it chose to measure at fair value. Changes in fair value are recognized in the statement of operations.

Financial assets measured at amortized cost include cash and amounts receivable.

Financial liabilities measured at amortized cost include accounts payable and accrued liabilities.

(e) Contributed services

Volunteers contribute significant time each year to assist the Society in carrying out its activities. Because of the difficulty in determining their fair value, contributed services are not recognized in the financial statements.

(f) Cash and cash equivalents

The Society's policy is to present bank balances and bank overdrafts under cash and cash equivalents.

Schizophrenia Society of Ontario

Notes to Financial Statements

March 31, 2019

3. Capital assets

Details of capital assets are as follows:

			2019	2018
	Cost	Accumulated Amortization	Net	Net
Furniture and equipment	\$ 12,881	\$ 3,864	\$ 9,017	\$ 11,593
Leasehold improvements	26,856	2,686	24,170	16,250
	\$ 39,737	\$ 6,550	\$ 33,187	\$ 27,843

4. Investments

Investments are maintained in four separate investment accounts with RBC Dominion Securities Inc., are reported at market value and consist of the following:

	2019	2018
Canadian Fixed Income Securities maturing between April 22, 2019 and February 12, 2024 Interest rates varying from 2.02% to 3.05%	\$ 752,535	\$ 694,025
Canadian money market funds	90,848	—
Cash to be invested	1,655	47
	845,038	694,072
Less: investments maturing in next fiscal year	(193,332)	(50,267)
	\$ 651,706	\$ 643,805

5. Lease commitments

The Society has leased office space on leases over various terms as well as some office equipment. The minimum rent payments required over the next five years are:

Year	Amount
2020	\$ 79,889
2021	79,716
2022	79,716
2023	79,716
2024	79,716
	\$ 398,753

6. Interfund transfers

During the year transfers of \$111,767 (2018 - \$194,250) from the Bill Jeffries Research Fund and \$51,773 (2018 - \$nil) from the Operating Fund were made to support the activities of the Research Fund.

Schizophrenia Society of Ontario

Total Events and Gaming expense	\$ 179,048	\$ 173,302
---------------------------------	------------	------------

Schizophrenia Society of Ontario

Notes to Financial Statements

March 31, 2019

8. Grants – Provincial Government

Details of the Society's funding are as follows:

	2019	2018
Ministry of Health and Long-Term Care	\$ 260,409	\$ 260,405
LHIN – Toronto Central	208,450	203,956
LHIN – Hamilton Niagara Haldimand Brant	92,822	90,622
Ministry of Health and Long-Term Care enhancement	125,300	–
	<u>\$ 686,982</u>	<u>\$ 554,983</u>

9. Pension plan contributions

The organization contributes to individual pension plans that are all defined contribution plans. The pension expense under these plans is equal to the organization's contribution. The 2019 pension expense was \$40,076 (2018-\$41,096).

10. Allocation of expenses

The organization allocates expenses between program, administration and fundraising expenses. Salaries and benefits are allocated by assessing the percentage of work done by each employee in each category. Building occupancy is allocated based on the space occupied by the employees and their work in each of the categories. Other expenses are allocated directly into one of the categories or by a percentage determined by the organization.

11. Cash - restricted

The Society maintains separate trust bank accounts in order to satisfy the requirements of the licences granted to it for Nevada and Bingo gaming by the Alcohol and Gaming Commission of Ontario. These funds are restricted as they must be spent on the activities listed on the licence applications. The balances maintained in these accounts at March 31, 2019 was \$80,128 (2018-\$72,263).

12. Bank line of credit

The Society has a business line of credit with its bank for an amount up to \$41,500 at an annual interest rate of Scotiabank prime plus 3.5%. The line of credit was not in use at March 31, 2019.

Schizophrenia Society of Ontario

Notes to Financial Statements

March 31, 2019

13. Financial risks

The Society is exposed to various risks through its financial instruments.

Credit Risk

The Society is exposed to credit risk on its amounts receivable and investments. The Society assesses on a continuous basis, amounts receivable on the basis of amounts it is virtually certain to receive based on their estimated realizable value.

For investments, the Society has established a conservative investment policy which requires investments to be invested in Canadian and provincial government bonds and major Canadian banks and corporations with a debt rating of A or better.

Interest Rate Risk

The Society is exposed to interest rate risk on its investments which consist of fixed rate bonds. Fixed rate bonds subject the Society to a fair value risk; however, the risk associated with these investments is reduced to a minimum since these assets are invested in safe government and corporate securities.

Liquidity Risk

The Society is subject to liquidity risk which is the risk of being unable to meet cash requirements or to fund obligations as they become due. This risk has reduced from the prior year.
